FOREWORD

We, the class of 1946, present this NORNIR
to the students of Eichelberger High School with
the hope that a review of the activities and
achievements of the past three years may
serve to spur us on to greater accomplishments.

If the pages of this NORNIR bring a
better understanding of the facts of life
to all of us, we will feel that we have been
amply rewarded for our efforts.

To us, graduation is a step from a minor school
to the great school of the world;
it is one of the greatest achievements of our lives.

It induces us to feel prepared to
solve the problems of a world at peace as
our predecessors solved the problems
of a world at war.

To us, this book will be the record
of our appreciation of education; it will
be a summary of the facts concerning one
concluded chapter in our lives.

DEDICATION

We, the class of 1946, respectfully dedicate
this NORNIK to

Miss Mary L. Menges and Miss Henrietta K. Flickinger.

By their patient understanding, diligent
industry, and exemplary conduct, they
have inspired us to strive for the greatest
goal of life—the privilege of serving
our fellow men.

We shall always hold them in deep
regard, because we realize that they have exerted an
important influence through us to future generations.

Miss Mary L. Menges

Miss Henrietta K. Flickinger

History of Eichelberger Senior High School

This is probably the first time that you have seen a title of this kind in a Nornir. It is surprising what small knowledge some people hold concerning an institution in which they have spent three years of their early lives. It is altogether proper that you should know a few facts about the school which has offered you so many opportunities.

In 1885, the board of education purchased a one acre lot on High Street. Upon this location a two-story brick building was erected. A course of study, including a curriculum for a high school, had been adopted in 1887 when a class of five students received diplomas at graduating exercises. The present high school was founded in 1893 when nine young ladies and gentlemen were graduated as the first class. William L. Hoffheins was the principal of this institution, which occupied the second floor of the High Street building from 1893 until 1900.

In 1897, Captain A. W. Eichelberger, an enterprising and public-spirited citizen, erected at his own expense a modern school building on an elevation at the northwestern part of the town. It was constructed of brick,

the frame work being a fine quality of wood.

For two years, it was known as Eichelberger Academy, an institution to prepare young ladies and gentlemen for college. Surrounding the building is a campus consisting of four acres. In 1900, Captain Eichelberger presented this building plus the grounds to the borough of Hanover for use as a public high school. In recognition of his munificent act this institution has since been known as the Eichelberger High School of Hanover. In 1904, the old building was torn down, and on the same site a large two-story building was erected. In 1931, two wings were added to this nucleus to complete the present structure. It now contains the best modern equipment, school apparatus, and school furniture.

This is merely a simple sketch of one of the most handsome high schools in this area. The description would not be complete if one neglected to mention the campus and its shrubbery. The Old Oak is symbolic of our high school just as the Statue of Liberty is symbolic of our country. Its branches greet the eyes of prospective students just as the flaming torch greets the eyes of our men returning from the war.

Mr. R. A. Bagshaw, Superintendent of Schools

Superintendent's Message

"Peace in our time" is an expression coined by an English statesman just prior to the opening of World War II. This expression has been quoted many times since its first utterance and frequently it has been referred to with some degree of derision.

The cessation of active and organized warfare during the last twelve months may cause the unthinking citizen to believe that we have actually achieved "peace in our time". Great changes must come about in the thinking and the motives of people and of nations before we can feel secure or feel that peace is a reality. Peace can never be real so long as people and nations struggle against each other, either secretly or openly, to gain strength for self by making others weak. Peace can never become a reality so long as class struggles against class to make each other competitively weak.

You of the Class of 1946 are graduating at a time when your services as world citizens and statesmen are sorely needed. Your vision must include a wide horizon and your courage in standing for noble convictions must be equal to that of your fathers and elder brothers who have recently been on the field of battle if we are actually to have "peace in our time".

Sincerely yours,

R. A. Bagshaw

Mr. Ray W. Gray, Principal

Principal's Message

Now that you have graduated what are you going to do? Commencement is truly named correctly, for now, most of life's responsibilities really begin. You are at the commencement of your careers.

The most important think now is to determine what you wish to do, to set your goal. Twelve years from now will you be "doctor, lawyer, merchant chief"?

With the goal chosen, you must then start paying the price to attain it. The price may be in terms of hard study in college, an apprenticeship in a trade, work on a farm, or doing without most luxuries in order to save money for a home and for investments.

There is not one of you who will not accomplish much more by preparing for some definite achievement than you will in working aimlessly simply because you can not decide what you like to do best. Most of you have the ability to attain your goal if you will only decide what that goal is.

Ray W. Gray

Senior Class History

It is difficult for us as Seniors, who have reached the point of leaving our school life, to express the many varied emotions which we have felt as we have gone through the experiences of the past few years. Only with considerable effort can we remember the feelings with which we entered the halls of E. H. S., in the fall of '43.

With high hopes of winning the acclaim of the upperclassmen, we felt that we were going to do something really worthwhile to prove to them our ability. We soon found that it was the upperclassmen's joy to suppress our hopes. Another interesting experience for us was the election of our class officers. It was very exciting when the returns came in at the election dance. Many of the Sophomore boys eagerly participated in football, basketball, and track. Chorus work claimed the attention of many of us, and we participated in the boys', girls' and mixed choruses. There were quite a number of us who were given the opportunity to take part in presenting the Easter Cantata, "The Crucifixion." The Sophomore-Junior play, "Junior-Miss," was quite a success, promising dramatic ability for our future years in E. H. S. With the aid of the Juniors we honored the Seniors with a Sophomore-Junior Prom. This was one of the closing events of our successful year as Sophomores.

As Juniors, we now set about up-setting the underclassmen's great hopes and desires. Many of our boys now participated in sports

as second year men, and we had a very successful athletic year. The Sophomore-Junior play was presented with all of the large cast endeavoring to make the Junior presentation of "Excursion," better than that of the Sophomores. Many of us also participated in the operetta, "The Merry Widow." We brought our second year to a close by bidding the current Seniors farewell with a Sophomore-Junior Prom.

By the fall of '45, we were not so much interested in crushing the hopes of the underclassmen, as we were in making our last year at E. H. S. a profitable one.

At intervals many of the members of our class have left us to serve in the various branches of the Armed Forces. A number of our class served on the Orange and Black Staff, in the band, on the drill team, and also on our cheerleading squad. Our class play, "Tish," was immensely enjoyed by all of us.

The Juniors and Sophomores honored us by sponsoring a formal Spring Dance. Among the last events of our school life was our Baccalaureate Service and our Campus Day program which added a beautiful picture for us to remember always. Our Graduation left us with a feeling of insecurity and a sense of fear, none of us knowing what was before us, but with the hope that the training we received here would enable us to meet any of life's problems creditably.

Junior Class History

In September, 1945, looking back over an eventful Sophomore year, we, the class of 1947, assumed our responsibilities as Juniors with a determination to exceed all our previous achievements.

After welcoming the "Sophs" to E. H. S., we cheered our classmates; Alvin Resh, Reginald Hershey, "Skip" Eckert, Dick Hahn, Berl Biddle, Eugene Long and Dan Ehrhart, for the part they played in the successful football season. The Band and Drill Chorus were also highly praised for their grand performances at the games.

In early November, the class election followed a campaign filled with keen competition. The returns were announced at our well-attended annual election dance.

This year Jack Stonesifer and Berl Biddle were on our Junior Varsity and Varsity basketball teams, and Reginald Hershey and

Alvin Resh helped to make up the wrestling team. Members of our class also played important roles on the baseball and track teams in the Spring.

Our Sophomore-Junior play, *Tiger House*, under the direction of Miss Menges, demonstrated to the public our acting ability.

Many of us took active parts in the Operetta *Blossom Time* under the direction of Miss Menges and Miss Turner. This too was a great success.

Many of our Junior boys were initiated into the Hi-Y, and the Girl Reserves had a good representation from our class.

With the Sophomore-Junior Prom, we bade good-bye to the Seniors. In so doing we were brought to a none too happy realization that our part in these much-enjoyed high school activities would too soon come to an end.

Beloved Instructor

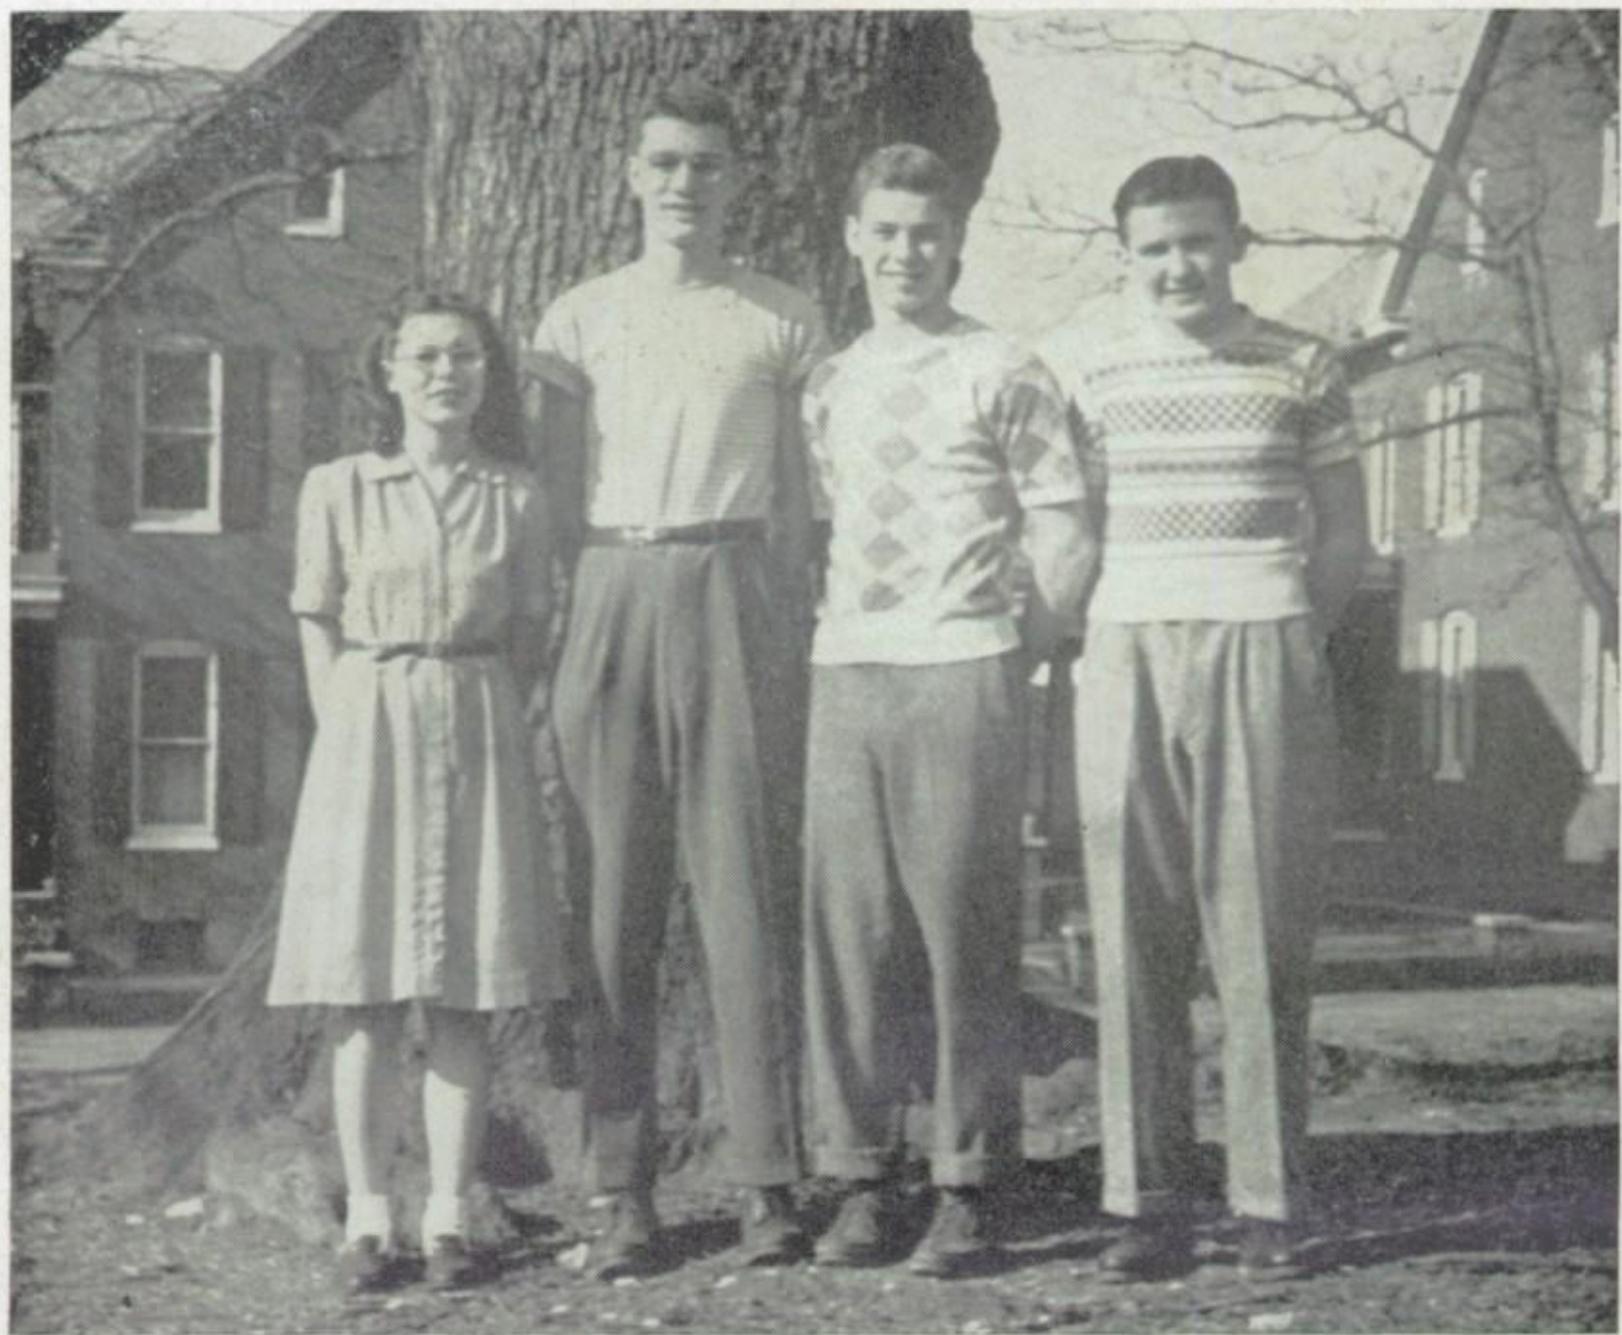

This page is dedicated to the memory of Frank C. Vanderwall, who was our close friend and advisor.

To everyone who knew him, Mr. Vanderwall was a source of inspiration, energy, and sympathy. He never shirked his duty nor denied a request for help. He was a Christian in the highest sense of the word.

We consider it an honor to have known him and a pleasure to have worked with him. We shall carry him, enshrined in our hearts, with us for the rest of our lives.

Sophomore Class History

With an expression of excitement and bewilderment we, the Sophomores of Eichelberger High School, started a new school year.

After a few days of confusion, we settled down to work toward our future ambitions.

The first event that attracted our attention was the election of class officers. This proved to be a very new and interesting experience. The election returns were announced at the election dance.

Most of us anxiously followed the sports in which many of our boys participated. We are proud to have so many fine athletes who have taken part in football, basketball, wrestling, and track this year.

Many of our class took part in chorus work. Some also participated in the band and the drill chorus, both of which showed outstanding musical and marching ability at the football games.

The Sophomore-Junior play, which was a mystery entitled "Tiger House," was quite a success. The Sophomore characters, as well as the Junior characters, worked hard under the direction of Miss Menges to make the play a hit.

We, the class of "48", sincerely hope we have made a marked contribution to E. H. S. and that we shall continue to do so during our Junior and Senior years.

The Student Council

The main object of the Council is to give the students a chance to express their opinions on school matters. The council adheres to a three-fold purpose: to provide greater co-operation between the student body and the administration; to better acquaint the student body with school affairs; and to provide social activities and entertainment for the students. Democratic representation is assured through the election by each home room of a council member.

This year the student council has been successful. Our previous standards have been

met, and new ideas and projects have been established. For example, during this 1945-46 term, the student council sponsored the election of class officers and the election dance, participated in a courtesy campaign, held dances after the basketball games, sponsored other social events, and presented the Oak-Leaf Award for leadership and scholarship standing to the most outstanding senior boy and girl.

Only through the co-operation of the student body, school and administration has this success been possible.

The Mixed Chorus

The three original choruses were combined into one large mixed chorus, directed by Miss Turner. The excellent work done by members of all three classes gained them a reputation of which we are justly proud.

This vocal group sang at Christmas time. The chorus also merged with the band to present a Spring Concert. From time to time, small groups sang for the weekly auditorium programs.

The school as a whole found that this extra-curricular activity was enjoyable as well as educational.

The Band

The band, in its second year under the supervision of Jack Schuler, undertook to widen the scope of its operations. Besides attending and drilling at all the football games, the band presented two concerts, and groups from the band furnished music for the class plays, the operetta, campus day, and the commencement day exercises.

To those members who had served in the band three years, awards were presented; sweaters with letters for the Seniors, and only letters for the Juniors, who will receive their sweaters next year.

The Hi-Y Club

President, Elwood Leister

Vice President, Jack Stonesifer

Secretary, Dean Dubbs

Treasurer, Charles Sourber

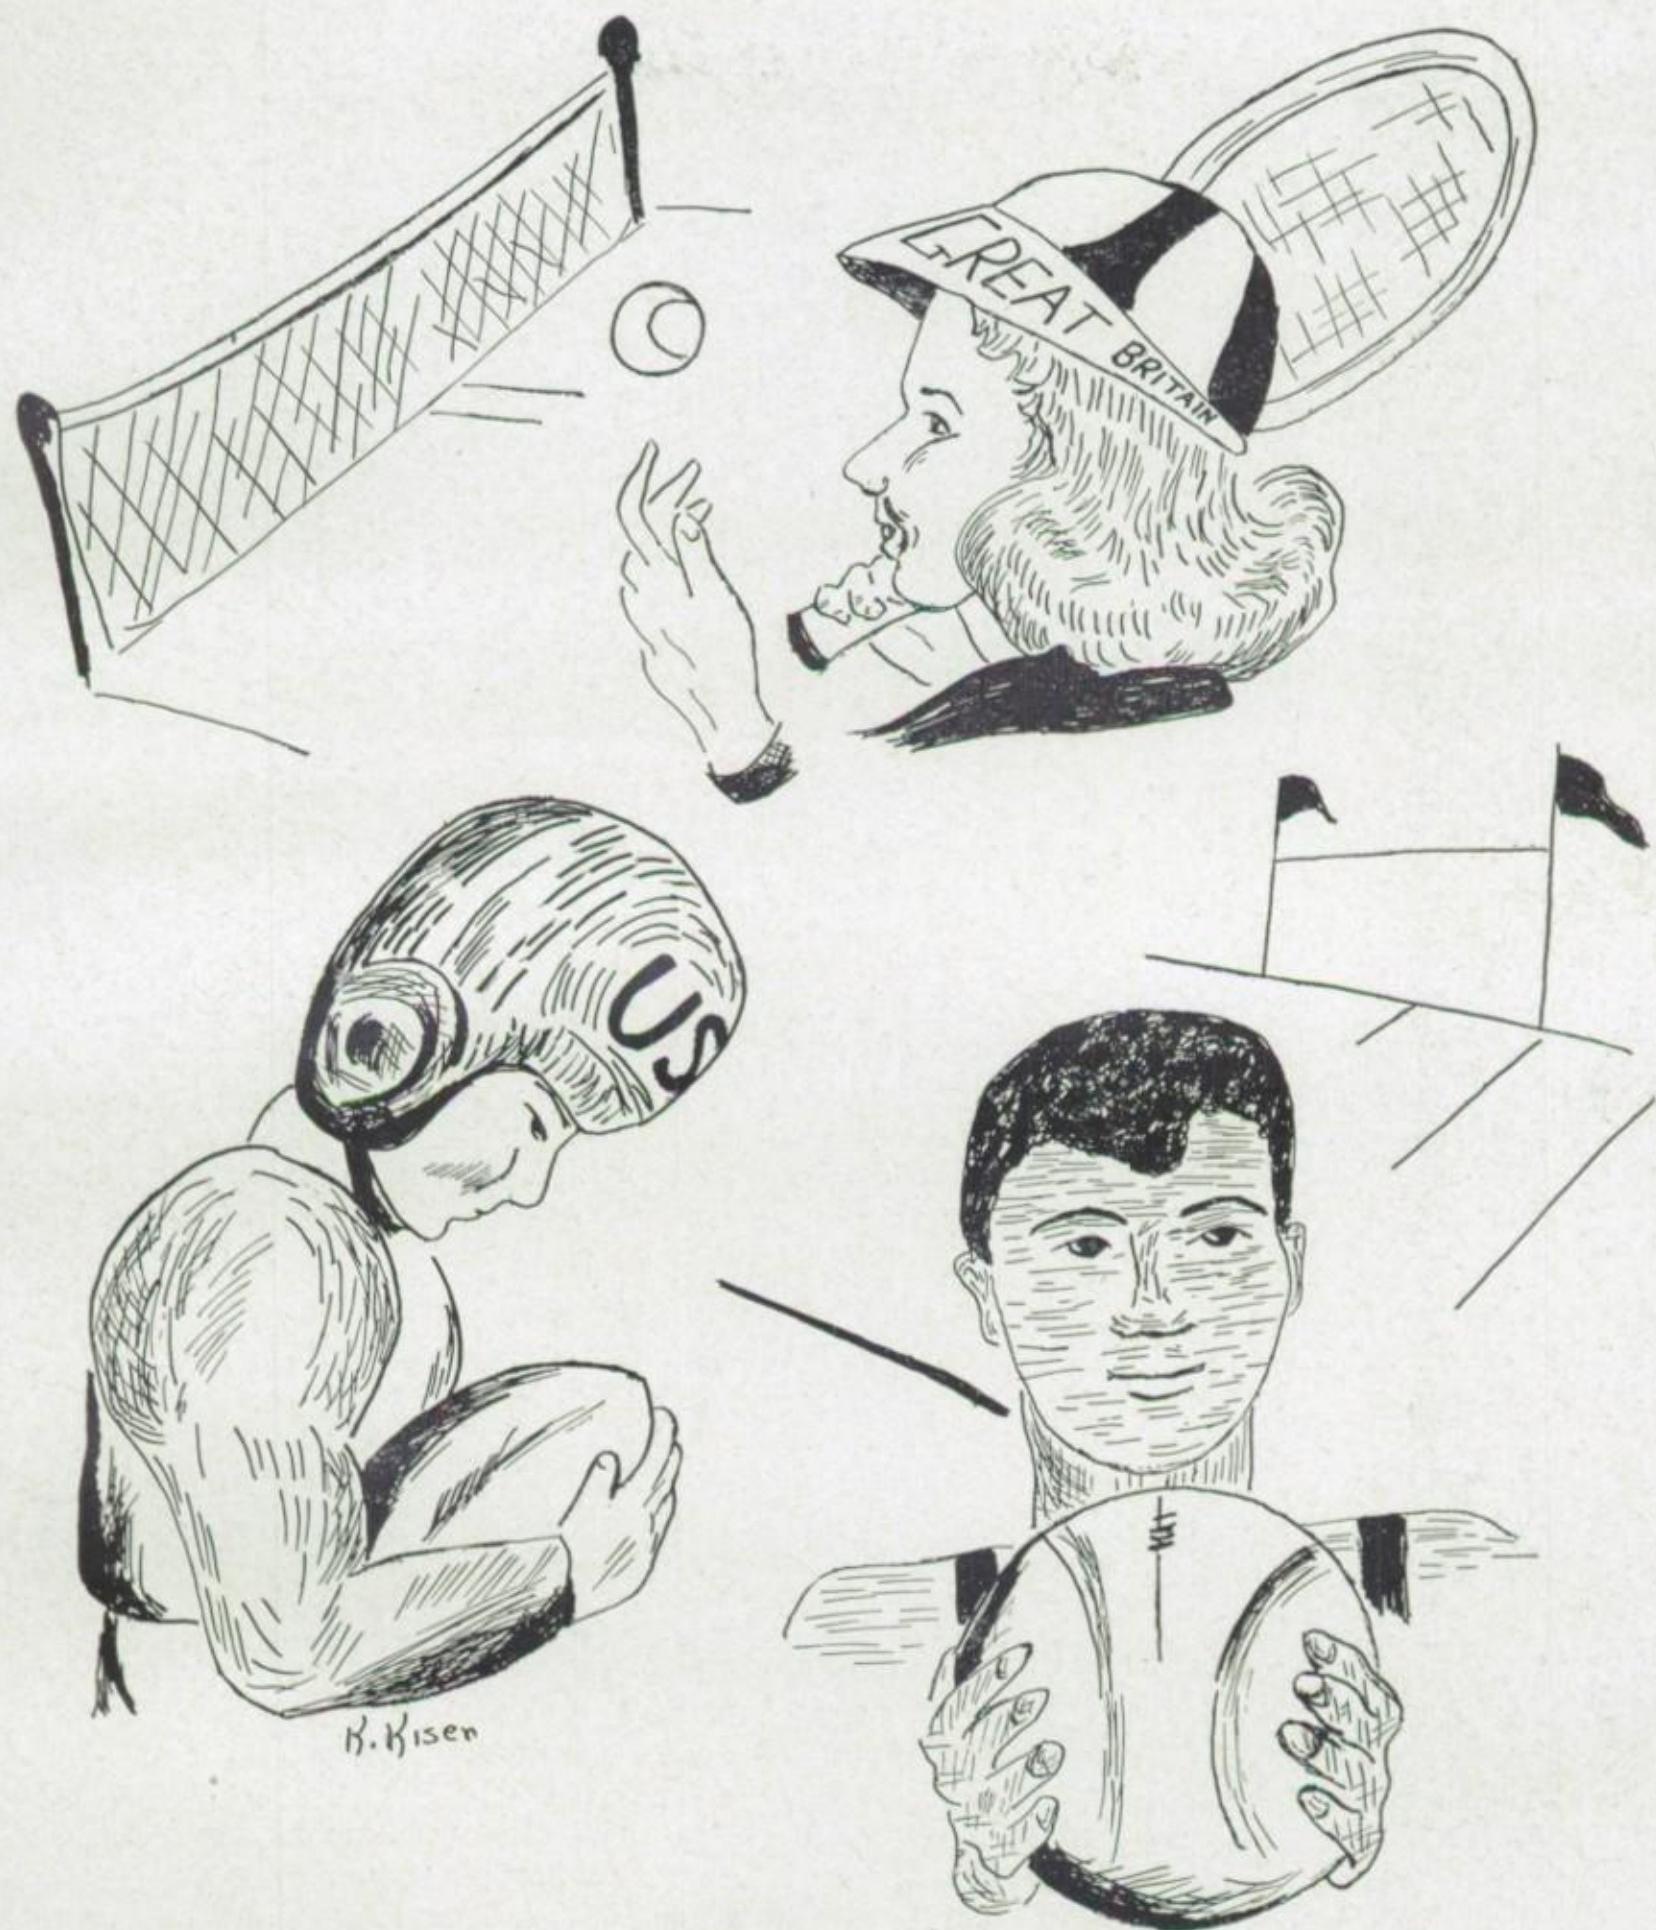

The Hi-Y of E. H. S. is an organization composed of boys from the Sophomore, Junior, and Senior classes who wish to attain a higher standard of character and Christian living. The purpose of the Hi-Y club is to create, maintain, and extend throughout the school and community, high standards of Christian character.

As a result of a change in policy, namely the admission of members on their merits rather than by an elective process, the Hi-Y club, in the past year, has come under the

jurisdiction of national Hi-Y and has become affiliated with the High School.

This year the Hi-Y club contributed to several worthy funds for disabled veterans who were wounded serving overseas. The club also donated several baskets of canned goods and fruit to some of the poor and needy families of Hanover. The Hi-Y club has accomplished much good in the past year, in an endeavor to live up to its purpose and platform.

HANOVER 19—DELONE 7

The Same Old Story

Hal Reese's Nighthawks opened their season against the neighboring Delone Catholic gridders and walked away with a 19-7 triumph.

The Hawks got off to an early lead. They took the ball on their own 23 yard line and caravaned 77 yards to a touchdown. Reggie Hershey spearheaded the advance by making a beautiful 42 yard touchdown scamper. Hostetter hit the line for the point after touchdown. Early in the second stanza the Squires fumbled. Skip Eckert was "Johnny-on-the-spot", recovering the ball on the Delone 42. Three plays later Kenny Baublitz bulleted a pass to Jake Diviney, who made a leaping catch, for another touchdown. Hostetter attempted to buck the line for the extra point but he was thrown short. A few minutes later Reggie Hershey scooted around end for 26 yards and his second touchdown. Delone's only score came late in the final period when Fred Bennett scored from the 7. He also added the extra point.

HANOVER 6 — LANCASTER CATH. 0

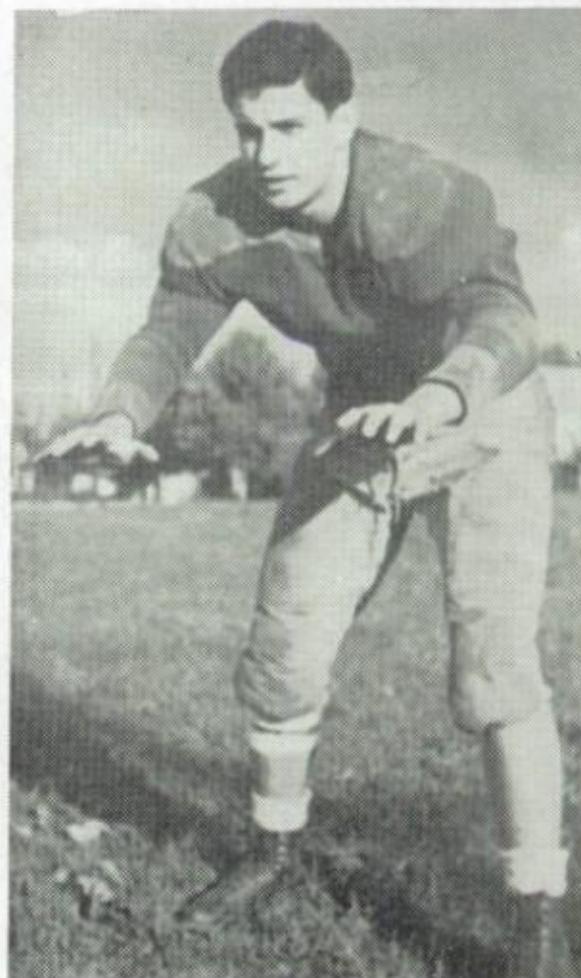

Surprise!!

Hanover ran into some unexpected opposition when the Hawks managed to eek out a 6-0 decision over the Lancaster Catholic Crusaders on the Garden City field. Lancaster failed to gain a first down while the Hawks racked up eleven. The game's only six points was scored midway in the second quarter with Ken Baublitz tallying on an eight yard reverse. Hostetter had scored a touchdown two plays earlier; however the Hawks were detected off sides and the six points were wiped off the scoreboard.

HANOVER 26 — GETTYSBURG 0

The Picnic

The Nighthawks had a grand picnic as they mauled the inexperienced Gettysburg

Maroons 26-0 on the Battlefield "picnic grounds."

Hostetter was the big gun in the Nighthawk attack by tallying three touchdowns. Hostetter tallied his first six points in the opening quarter by bucking over from the thirteen. His second touchdown came early in the third quarter when he bulled over from a dozen yards out. Weikert place kicked the extra point. "Skip" Eckert set up the Hawk's third touchdown by recovering a fumble on the Maroons 42. Baublitz ran to the Gettysburg 7 from where Hostetter bulleted over. Weikert's placement was good. Hanover's final touchdown came early in the final stanza when Ken Baublitz scored from the 13 yard line.

HANOVER 12 — MECHANICSBURG 6

Patience and Fortitude

Playing hard, heads up football the Hanover eleven downed a powerful Mechanicsburg eleven 12-6.

Reese's "Birds" had to win the hard way. On six plays from scrimmage Kenny

KENNETH BAUBLITZ
Halfback

Rider, slippery Cat halfback scored a touchdown from the 16 yard line on a tidy off tackle slant. Forry tried to buck the line for the extra point but he was thrown short.

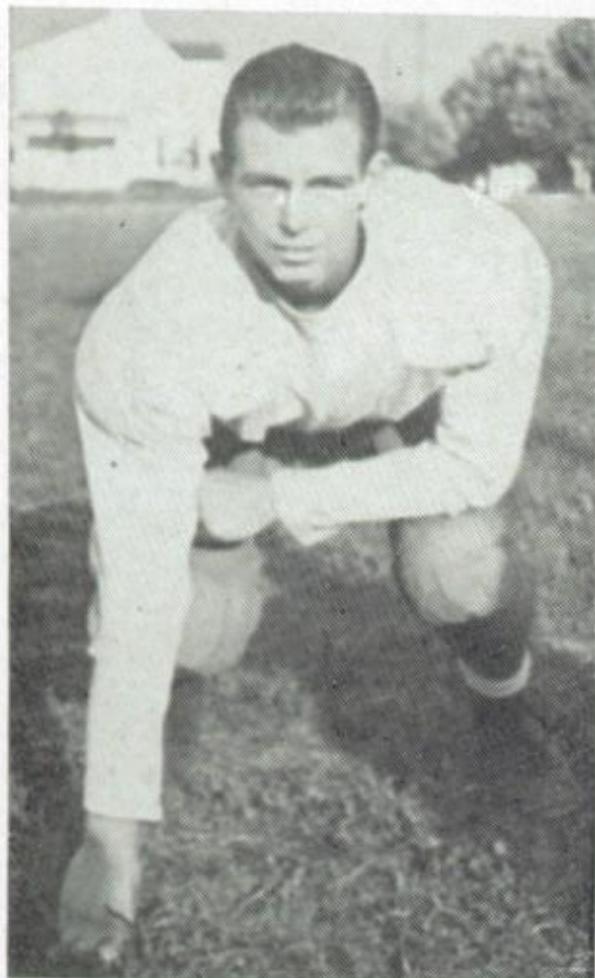

As the first period ended the Hawks drew a break. Kenny Baublitz recovered a Mechanicsburg fumble on the Cat 30 yard stripe. On the first play of the second period Hostetter broke loose on a spinner to charge to the nine from where Baublitz streaked over for the touchdown. Weikert's placement failed.

The score stood at six-all until early in the final quarter, then Hostetter playing the roll of a battering ram bucked over from the three yard line. Weikert's placement again failed.

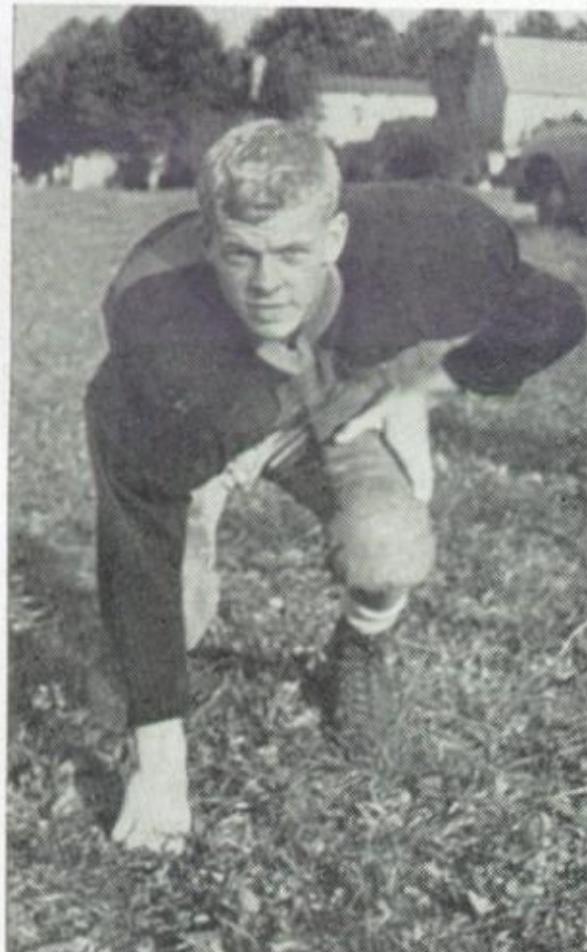

HANOVER 7 — CHAMBERSBURG 14

Hooked!!!

Plagued by bad breaks the Hanover Nighthawks dropped a bitter fought 14-7 decision to the Chambersburg Trojans.

PHIL WILLET
Guard

MILLARD WEIKERT
Quarterback

The Trojans wasted no time on capitalizing on a break when Bard, Trojan guard, raced in to block Hostetter's punt. Merle Leisher recovered for Chambersburg on the Hanover 35 yard line. A few plays later Gerald Hoover, dusky halfback took a lateral pass from Sam Clarke and raced over from the 10. Sam Clarke calmly booted the P.A.T.

The Hawks came charging back in the second period, scored a touchdown on a magnificent 27 yard Baublitz to Diviney pass and tied the score on Hostetter's extra point. Scoring ceased until the first play of the second half when Russ Young, Mercury footed Trojan wingback, went off tackle to the right on a slow breaking play, cut to the left and raced 60 yards for a touchdown. Clark again booted the extra point. That ended the evening's scoring; however, both teams threatened several times in the final quarter.

HANOVER 7—COLUMBIA 0

Close Shave

Playing the Nighthawks on even-steven terms throughout the first three quarters of the contest, the weak Columbia tide dropped a 7-0 decision to the powerful Nighthawks. Reese's gridders were way off their game, were outplayed by the scrappy "Riverboys", but managed to gain an 11-11 split on first downs. Had the Nighthawks not possessed a swifter runner than "Corky" Carnahan the score would have been reversed. Corky reeled off two long gains, one for 65 yards and one for 54 yards. Both times he was caught from behind. Hanover's lone score came early in the last quarter with Baublitz luggering the leather from five yards out. Hostetter plunged for the P.A.T.

HANOVER 7—CARLISLE 13

Waterloo!!

Even though the Hawks held a 15-4 edge in first downs, they still dropped a 13-7 verdict to the Carlisle Thundering

Herd. Almost 3000 dew soaked spectators saw Carlisle score on a "flukey" touchdown and regain the lead on another "gift" from the Orange and Black eleven.

Early in the first period Carlisle began to move. Hanover choked the attack and Blosser got off a beautiful boot which rolled to the 1 foot line. Whitey Weikert picked the pigskin up but was instantly nailed by Creigh Snyder, Carlisle end. Jim DeLancey, Carlisle guard, fell on the pigskin for a touchdown. Blosser's kick was no good. The Hawks retaliated in the second stanza. An 85 yard drive was brought to a head on an 18 yard touchdown pass from Baublitz to Reggie Hershey. Weikert's placement was good.

Carlisle's winning touchdown came in the third period. Baublitz gambled on a pass from his own 42. Vic Madison intercepted and raced to the six yard line where Baublitz nailed him. Black went to the five from where Shenk went over.

HANOVER 7—HERSHEY 21

Kings Crowned; Kings Dethroned

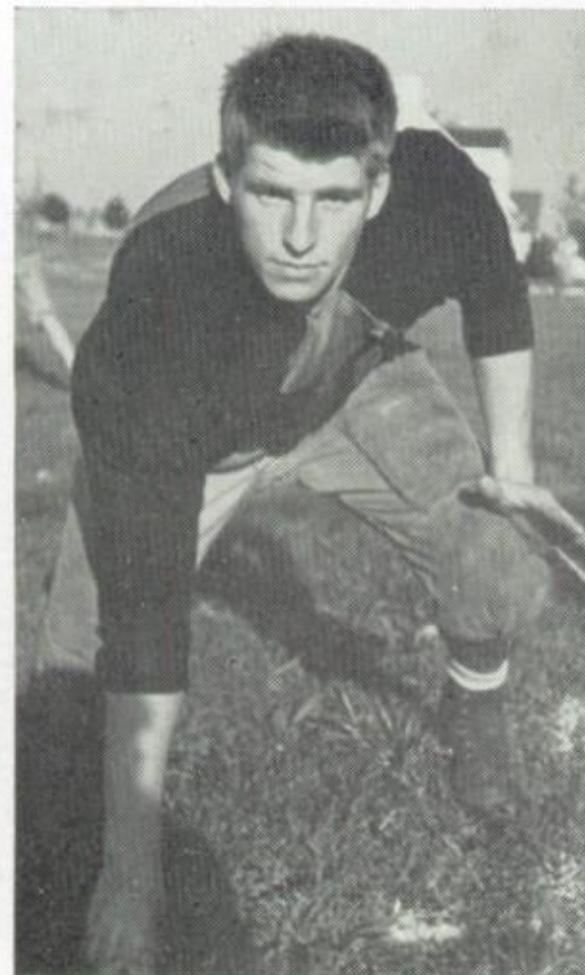

A second half attack staged by the Hershey Trojans swept the Nighthawks completely off their feet. A huge crowd in the beautiful Hershey stadium saw the Hawks take an early lead. Phil Willet blocked a Hershey punt. Skip Eckert scooped the pigskin from the turf and galloped into touchdown land. Weikert booted the extra point. The Hawks continued to outplay their rivals throughout the second period. Then in the third period Peck McKnight inserted slippery Johnny Hoerner into the Hershey lineup. Johnny sat on the bench the entire first half and so he was fresh and "rarin" to go. His first touchdown came on a lateral play. Gasper tossed a bullet pass to Snyder who lateraled to Hoerner for a touchdown. Huzvar plunged for the extra point. Hershey's second touchdown drive came midway in the final period. Hostetter punted out of bounds on the Hershey 27. Then Hoerner sped through the center of the Hawk line for a twenty-eight yard advance.

Huzvar on two tries added six yards to the Hawk's 30. Then Hoerner on a beautiful "Glenn Davis" special weaved the thirty yards for his second six pointer. Huzvar again plunged for the point after touchdown. Hoerner set up the final Trojan score by again speeding around end for twenty-seven yards to the Hanover two yard line. Two plays later Fasnacht tallied on a quarterback sneak. Gasper tossed to Hoerner for the extra point.

HANOVER 14—WAYNESBORO 7

The Comeback

Things looked bad for Hal Reese's eleven as Waynesboro, showing plenty of punch and vigor, outplayed the Nighthawks in the initial stanza. Waynesboro drew first blood when Ray Dull, pile driving halfback, roared off right tackle for 65 yards and a touchdown. Geesaman booted the extra point. The Hawks made a comeback and scored a safety when a bad pass from center went into the end zone. Geesaman, attempting to run the ball, was nailed by Phil Willet. In the second period, the Hawks began to move. The Baublitz to Diviney combination began to click and the Hanover eleven drove deep into Waynesboro's territory. Then Jack Moore, sophomore halfback, bulleted a pass to Kenny Baublitz for a touchdown. Hanover sewed the game up in the final period when Armin Hostetter drove for a touchdown from the one foot line.

HANOVER 28—SHIPPENSBURG 6

Turkey in the Straw

A huge Turkey Day crowd turned out to see the Nighthawks tangle with the Shippensburg Greyhounds. This game was the final game for Kenny Baublitz, Armin Hostetter, Jake Diviney, Sas Rider, Phil Willet, Ray Markle, Elly Leister, Millard Weikert, Nev Dubbs, Jess James, John Orndorff, and Bill McCleaf.

The Hawks started slow, were held scoreless in the first period and fell behind a 6-0 count in the second stanza. Then the

Baublitz and Diviney combination blew hot to tally a touchdown late in the second period and took a 7-6 lead at intermission.

The second half was different. The Hawks moved at every opportunity and battered the "Hound" line for three touchdowns. In the third stanza Hostetter plunged over from the 10 yard line. He retaliated with an extra point. Jack Moore, who put in a creditable performance, threw a long aerial to Jake Diviney for another touchdown. Weikert added the extra point.

In the dieing minutes of the game Reese put in his scrubs. It wasn't long before Beryl Biddle speared an enemy pass and raced 35 yards along the west sidelines for the Hawks final touchdown. Wil Gobrecht added the extra point on a plunge.

Varsity Basketball

After getting off to a slow start the Eichelberger Nighthawk dribblers finished the season with a record of seven wins against ten losses. The Hawks dropped four straight games at the beginning of the season before they downed Waynesboro 15–13 in a hectic contest. They flashed some brilliance against Mechanicsburg when they staged a brilliant second half rally only to lose 38–36. Then, to almost everyone's surprise they almost succeeded in trouncing Chambersburg. The Hawks led throughout the game only to lose it in the closing minutes. Probably one of the most thrilling contests was the West York tussle. West York led throughout the entire game, held a ten point lead in the final period only to have the Hawks blow hot and tie them. Jake Diviney dropped the tieing bucket as the final horn blew. The Hawks went on to win in an extra period.

The Hawks showed top form against Waynesboro when they dropped the Tornado 47–26. Kenny Baublitz led the attack with 22 points. Then the Reese five fell into the doldrums by losing to Mechanicsburg and Chambersburg; however the Hawks retaliated by licking Delone in an extra period. Then the Orange and Black cagers pulled one of the biggest upsets in South Penn Conference history by downing the highly-touted Gettysburg Maroons who were expected to capture the Conference Crown. The Hawks led throughout and pulled away in the last quarter to run away with a 31–25 victory. The Hanover triumph eliminated the Battlefielders for the Championship and it crowned the Chambersburg Trojans. Four days later the Hawks upset the powerful Hershey five 30–27.

Varsity Wrestling

The 1945-1946 schedule for the Hanover Nighthawk Wrestling team consisted of ten matches. The Grapplers, during this past season, won two matches and dropped eight. Although the record was not the most impressive possible, the boys worked every minute of the time for victory. The mat men ended this season by going to the District Championship Match on March 9. Ray Markle, beaten only once in thirteen tests during the season, copped the District Title in the one hundred and forty-five pound class. However, he was eliminated at the State Championship Match. The boys who earned an "H" were: George Zinn, 95-103; John Lehigh, 95-103; Burnell Rabenstine, 95; Bill Hershey, 112; Eugene Bixler, 120; Ernie Miller, 127; Merle Markle, 127; Bill

McCleaf, 133; Bob Crawford, 138; Ray Markle, 145; Russell Smith, 154; and Lester Hershey, manager. There will be six letter men returning next year.
